

## Understanding Earthquakes: A Workshop for Planners

We are pleased to announce that we are teaming up with Natural Resources Canada to host an educational workshop on understanding earthquake risks and hazards in Canada. The workshop will take place on October 27th from 1:00pm – 4:30pm at the Pacific Geoscience Centre in Sidney and will include:

- A tour of the Pacific Geoscience Centre;
- Overview of the Geological Survey of Canada's earthquake research;
- Information on earthquake history and hazards;
- Introduction to the earthquake early warning system; and,
- Earthquake risk data for planners.

The workshop will be facilitated by the following speakers:

- Malaika Ulmi, Program Manager, Natural Resources Canada
- Dr. John Cassidy, Senior Research Scientist, Natural Resources Canada
- Alison Bird, Seismologist, Natural Resources Canada

Please join us for a social after the workshop at Spitfire Grill (9681 Willingdon Rd, North Saanich).

If you are interested in carpooling to the event, feel free to email [pibcsouthisland@gmail.com](mailto:pibcsouthisland@gmail.com) for potential arrangements.

*We acknowledge that this meeting will take place on the traditional and unceded territory of the WSÁNEĆ people.*
