

DESIGN CHALLENGE

2014 Winner

Design a **'Pop-up-Park'** in Surrey City Centre to serve as a summertime hub for pedestrians to meet, relax and enjoy two outdoor 'dueling' street pianos.

Enter by **May 1** for the chance to bring your design to life with a **\$15,000** construction budget.

We are looking for a creative outdoor design incorporating seating and weather protection for the street pianos. The construction materials used should be environmentally sustainable and recyclable. PARKit Design Challenge Participants are asked to submit design concepts, and the selected team will receive funding to fabricate and install their design.

Designs Should

- Create a unique gathering space for people to sit, socialize and relax
- Engage and delight visitors
- Provide weather protection for two street pianos
- Incorporate the pianos in the design
- Be easily constructed and removed

Challenge Schedule

- May 1, 2015 Entries Due
- May 8, 2015 Winners Announced
- June 22, 2015 Opening Performance Event
