

**PIBC Vancouver Island South Chapter
presents...**

CRD Waste Management Tour

Join us on Friday, June 23rd on a tour of the Hartland Landfill and the Residual Treatment Facility. Learn how the Capital Regional District safely and responsibly manages the region's garbage and residual solids and learn about how waste diversion programs on-site help reduce the amount of waste ending up in the landfill.

This tour will give insights to attendees with respect to the planning and operation of these sites in the short and long-term, their role in our everyday lives, and how these services may evolve and adapt over time.

This event will be held on-site and will be guided by personnel that work on the site.

PLEASE NOTE:

- Attendees will be responsible for their own transportation to and from the tour. Carpooling is encouraged. Please email pibcsouthisland@gmail.com for more information on ridesharing opportunities.
- Attendees are required to wear boots (steel toe optional), a vest, hard hat, and eye protection.

Date: Friday, June 23rd, 2023

Location: 1 Hartland Ave, Victoria, BC V9E 1L7

Tour Times: 1:00pm – 2:45pm (Hartland Landfill)
3:00pm – 4:30pm (Residual Treatment Facility)
