Presents:

Climate Action in Practice: Tillicum– Burnside Walking Tour

In celebration of World Town Planning Day, please join us on November 4th to explore recent green infrastructure projects around the Tillicum/Burnside neighbourhood.

Event highlights:

- Learn how nature-based solutions and biodiversity are being integrated into recent projects to rewild the area and address climate change.
- Tour Tillicum Elementary School's green infrastructure and active transportation upgrades, and the bike lane installation on Tillicum Road.
- Discuss the Tillicum Burnside Plan update and how this work connects with and supports these recent projects.

Climate action networking and social to follow at Browns Social House Uptown (3680 Uptown Blvd #109, Victoria, BC V8Z 7H6).
