

**SPEAKER
SERIES**

Placemaking vancouver ISLAND //2017

Ecocities in Context: Making the Rural Connection:

A presentation by
Dr. Jennie Moore,
Associate Dean of
Building Design and
Construction Technology
at BCIT

- » Wednesday
- » October 18 / 7p.m.
- » Vancouver Island University (VIU)
Cowichan Campus

Dr Jennie Moore is concerned with the natural environment, the built environment, and the relationship between them. She currently serves as a core advisor to the International Ecocity Framework and Standards, an initiative aimed at developing performance metrics for cities in balance with nature.
