Building our Practice with
Equity Tools & Resources

Wednesday June 14
9:30am – 12:30pm

Are healthy built environments healthy for all?

What barriers are faced by residents with diverse needs? What obstacles are experienced by planners, service providers, developers and politicians?

Speakers from diverse sectors will prime the conversation about working together to break down barriers and create healthy built environments that benefit ALL residents in the capital region.

3 PIBC Continuous Professional Learning (CPL) Units per workshop
