

INFORMATION SESSION

BC Energy Step Code & Energy Efficient Building Design

INTRODUCTION FOR LOCAL GOVERNMENT ELECTED OFFICIALS & STAFF

Friday, Nov 17, 2017 | DOORS OPEN AT 9.00 AM

RDN BOARD CHAMBERS | 6300 HAMMOND BAY RD., NANAIMO, BC

PRESENTERS:

Zachary May - Building and Safety Standards Branch

Brendan McEwen - City of Richmond

In April 2017, the Province of British Columbia adopted the BC Energy Step Code as regulation. The new standard is a tool designed to help both governments and industry chart a course to a future in which all new construction across the province is 'net-zero-energy ready' by 2032.

PRESENTATION & WORKING SESSION 9:30 AM—1:00 PM

- Learn about the purpose and vision of the BC Energy Step Code & how it will work
- Identify the range of options and opportunities for adopting and/or incentivizing the BC Energy Step Code in the region
- Review the range of industry and third party positions on the BC Energy Step Code
- Learn how local governments can verify BC Energy Step Code Compliance with the BC Energy Compliance Report—Part 9 Buildings
- Participate in a dialogue about the most appropriate options for utilizing the BC Energy Step Code in the region
- Learn about how other local governments are planning to adopt the BC Energy Step Code

RSVP: SHARON HORSBURGH | SUSTAINABILITY COORDINATOR | RDN
