

... a great place to live, work & play

One of the sunniest regions in BC's Lower Mainland, Delta embraces three unique communities - Ladner, North Delta and Tsawwassen. The City of Delta is looking for dedicated individuals to join our team and share in our commitment to lead the way in public service excellence.

Planner 2

Would you like to be part of a vibrant local government organization that deals with a range of contemporary planning issues? Would you like to contribute expertise in housing, area planning, urban design, policy development, regulatory bylaw development, and community engagement? Are you a service-oriented individual who thrives in a fast-paced environment and would like to shape the next generation of long-range plans for the City of Delta? If so, the City of Delta invites you to apply for a full-time Planner 2 position.

The City of Delta is seeking an individual with considerable professional land use planning experience. This Planner 2 position primarily involves developing long range plans. In the near term, the successful candidate may work on projects such as Delta's Housing Action Plan, high-priority initiatives related to the Scott Road Corridor and Ladner Village, future Official Community Plan / Area Plan updates, and initiatives to streamline the development process. This position also involves responding to public enquiries to the Community Planning & Development Department, and it may also involve processing development applications of a moderate to complex nature.

In addition to a degree in an appropriate discipline and, preferably, a postgraduate degree in Planning, you have an in-depth understanding of community planning principles, practices, techniques and methods, municipal planning trends, housing policy, land economics, and public engagement. You have direct experience with land use planning and development processes and are conversant with applicable regulations, policies, by-laws and legislation. You have expertise working in a local government setting or a field directly related to urban land use and development. A critical thinker, organized project manager, and strong communicator with plenty of initiative, you are able to represent the Department, act as a resource, prepare relevant reports and recommendations, and explain complex technical concepts and plans to non-technical individuals.

Membership or eligibility for membership in the Planning Institute of British Columbia and the Canadian Institute of Planners is required. This position requires a valid BC class 5 driver's licence.

The City of Delta provides a competitive salary of \$46.75 – \$55.35 per hour (commensurate with experience) and an excellent benefits package including Municipal Pension Plan as well as an earned-days-off system. Interested applicants are requested to apply online at www.delta.ca/employment, to competition number **19-207 EX** by January 19, 2020.

We thank all applicants for their interest; only those under consideration will be contacted.

Copies of relevant professional certificates, degrees, or tickets must be submitted with your application.

Preferred candidates will be required to submit a Police Information Check.
