

Intermediate/Senior Planner

Vancouver, British Columbia

Invistec Consulting Ltd. has an exciting opportunity for an experienced Professional Planner to help lead and support our expansion into British Columbia. With a wide range of public and private projects within Western Canada, Invistec is looking for an entrepreneurial professional with strong verbal and written communication skills to join our team. If you believe in superior customer service, have an ambitious and tenacious attitude, and thrive on finding innovative solutions, this is the role for you.

Who We Are:

Invistec provides professional consulting services in planning, engineering, landscape architecture, urban design, and transportation. Founded by professionals with a common passion for innovation, integrity, and excellence, our core business is serving clients – small or large, public or private – with efficiency and attention to detail and with a specialized focus on sustainable community development.

Our vision is to be the consultant of choice in Western Canada. To accomplish this requires a team of committed professionals willing to grow a culture of innovation, and to become and remain a contributor to sustainable and integrated growth in our communities.

Invistec is currently seeking an Intermediate/Senior Planner to support the growth of Invistec into British Columbia. This role will be responsible for marketing and business development, preparing proposals, cultivating relationships with various municipalities, while also contributing and supporting on projects in our other offices. This position requires an experienced and motivated team player with an outgoing personality who is able to take initiative, work in a team environment, and also work independently.

INVISTEC CONSULTING LTD.

Description of the Opportunities:

- Work collaboratively with Invistec's interdisciplinary consulting team in British Columbia and Alberta
- Independently lead project teams in the development and delivery of exceptional plans and policies, and working with clients, stakeholders, and public officials
- Foster and nurture relationships with existing clients while actively identifying and engaging new prospects
- Lead the design, delivery, facilitation, and documentation of public engagement activities
- Ability to understand and interpret municipal regulations, bylaws, and policies, as well as various provincial regulations
- Liaise with clients, government officials, and regulatory bodies
- Engage with prospective clients in understanding their needs and goals
- Prepare proposal responses for Request for Proposals and prospective clients
- Any other such duties as may be assigned

The Successful Candidates will Possess the Following:

- Degree in Urban Planning or related discipline
- 5-15 years of professional planning experience
- Membership or eligibility for membership in PIBC/CIP is preferred
- Proficient working knowledge of general planning principles and the development approval process in British Columbia
- Strong project management, leadership, and communication skills
- Experience in urban design, graphic design, and site analyses
- Demonstrates skills in public engagement and customer service experience
- Proficiency in MS Office Suite
- Proficiency in Adobe Creative Suite and AutoCAD is an asset
- Valid driver's license
