

PLANNER II (Long Range Planning – 18 month term)

The City of Campbell River is looking for an experienced **Planner II** to join our Long Range Planning team in this 18 month term position.

Naturally, Campbell River – Located on Vancouver Island, the City of Campbell River offers a rare combination of a welcoming small-town feel with large-city amenities. We are a 45-minute drive from the winter and summer activities of Mount Washington, and just minutes from more than 100 km of all levels of mountain biking and hiking trails, plus easy access to the ocean, rivers and lakes for sports fishing, kayaking, paddle boarding and whale watching.

The role: As part of the Long Range Planning team, you will be working in a fast-paced and customer service-oriented environment. The Planner II is responsible for a diverse workload and will act as a project manager for long range planning and sustainability projects and initiatives. The work involves conducting research and analysis, developing long range plans and policies, delivering public presentations, and providing technical advice to a wide range of internal and external stakeholders. The incumbent will also conduct studies on a variety of land use, urban growth, environmental sustainability and community livability initiatives, and prepare comprehensive reports, recommendations and policy proposals; draft and amend bylaws; and facilitate public engagement.
